You walked away like silent rain
that gives place to a sunny day
I rest my head knowing that some
day I'll understand the pain
Thoughts will come and ease my
life
Peace of mind is what I shall find
Don't expect for me to cry for you
And when you think of calling me
Remember I won't answer
'Cause I'm busy licking my wounds
In the deepest cave, I could find
inside me
We used to say that everything
should end if it's for the best
I found a way to look at things as
something merely from the past
Our love was so intense
That even now we still can't be
friends
Sad, but that's the way it's gonna
be
And when you think of calling me
Remember I won't answer
'Cause I'm busy, licking my
wounds
In the deepest cave, I could find
inside me
